Round Table Discussion For Welfare Council Meeting

TORRANCE — A large public meeting for the purpose of giving first-hand demonstration of the operation and purposes of First District Welfare Council has been arranged for Tuesday evening, April 18th, it is announced by C. Leonard Edney, publicity chairman, to take place at 8 o'clock in Torrance High School.

"From personal contacts over a number of years, we know that the majority of our fellow-citizens have only a vague knowledge of what our Welfare Council is doing to promote better health, welfare and youth conditions in our own communities," Edney said, "so we are giving the public a chance to find out for themselves what it is all about."

Alondra Lake Yacht Regatta

TORRANCE — A model yacht racing regatta will be held Sunday, April 23, from 9 a. m. to 3 p. m. at the Alondra lake, located on Redondo Beach boulevard between Crenshaw and Prairie avenue, just west of El Camino college.

Talk Given On Exceptional Type Children

SHOESTRING — The night meeting of the Halldale P-TA, presided over by Mrs. E. M. Bernardin, president, gave fathers an excellent opportunity to attend and participate in the meeting.

Leading the group in the Pledge of Allegiance was Mr. O. S. Robinson, which was followed by the reading of the inspirational, "A Born Collector," by Mr. Willard Reich.

Mrs. Amanda Bonwell, principal, welcomed the guests to the meeting and invited all those present to visit the school rooms following the meeting to meet the teachers personally and see

the examples of the work being done by the students.

The program, introduced by Mrs. Robert Lenten, included a clarinet solo, "Cavalier," by Curtis DeVore, accompanied by Mrs. Ruth Adams at the piano; a piano solo, "In the Hall of the Mountain King," by Ricky Bernardin, and a poem, "What Is a Boy," recited by Mrs. John Blackman.

Special guests of the evening were Mr. and Mrs. J. B. Strand.

Guest speaker for the meeting, Mrs. Doris Hoyle, gave an interesting talk on exceptional children, explaining different types of exceptional children and outlining the special training each group receives.

The meeting closed with the introduction of the room mothers from Mrs. Lillian Biggens, Mrs. Helen Cole's, and Mrs. Mary Halverson's rooms, who were hostesses for the evening.
